On behalf of the Greater Meredith Program (GMP) we welcome you to the 2nd decade of our Meredith Sculpture Walk! As part of our 32 revolving sculpture display, this year we bring you 14 new pieces from the very best sculptural artists in the Northeast. Their sculptures are constructed of granite, bronze, hardwood, repurposed metals, cast resin, etc. And we even have a corten steel Cow! We are so appreciative of the support from our artists, our site owners, our sponsors and the Town of Meredith Public Works Department. Public Art and Volunteerism help define the character of a town and Meredith is a shining example. A big Thank You to our Meredith Sculpture Walk Committee, our Ground Team and our Docents. To all of our Meredith residents and visitors - Explore and Enjoy!!
