Greetings! On behalf of our Greater Meredith Program (GMP) we welcome you to our 12th year of the Meredith Sculpture Walk! This year we offer you 25 new sculptures created by the very best sculptors in the Northeast. And, we happily announce the birth of Baby Cow as she joins her mother on site 22! We are so appreciative of our sponsors, site owners and volunteers for their support. Public Art helps define the character of a town and Meredith is a shining example in the Lakes Region. Thank you Ground Team for gently handling 50 sculptures this year, a record! And thank you MSW Committee and Docents for continuing your superb work. To the citizens of Meredith and our wonderful visitors ---- Explore and Enjoy!!!

Bev Lapham
Chairman
